1. Go to <https://www.townsendpress.net/> and click "CREATE AN ACCOUNT."

The screenshot shows a web browser window with the URL <https://www.townsendpress.net/signup/student>. The page header includes the Townsend Press Learning Center logo and the title "Create a Student Account". A progress bar at the top indicates the current step is "Your Name", with other steps being "Signing In", "Password Reset", "Your Teacher & Class", and "Finished".

The "Your Name" section contains the following fields:

- First Name:** A text input field containing "Caren".
- Middle Initial:** An empty text input field.
- Last Name:** A text input field containing "Hayden".

Below the nickname field is a yellow note: "If you leave this blank, we'll use your first name." At the bottom of the form is a blue "Continue" button with a right-pointing arrow.

3. Enter your first name and last name (and a nickname if you have one).

The screenshot shows the same web browser window, but the progress bar now indicates the current step is "Signing In". The "Your Name" step is now greyed out.

The "Signing In" section contains the following elements:

- A question: "Do you want to sign in with an e-mail address or a user name?"
- Two radio button options: "E-mail Address" (which is selected) and "User Name".
- A section titled "E-mail Address & Password" containing four text input fields:
 - E-mail Address:** An empty text input field.
 - Re-enter:** An empty text input field.
 - Password:** An empty text input field.
 - Re-enter:** An empty text input field.

At the bottom of the form are two buttons: a grey "Back" button with a left-pointing arrow and a blue "Continue" button with a right-pointing arrow.
